## DAILY SENTINEL.

A LESSON FOR MOTHERS.—The Birmingham (Eng.) *Journal* prints the following account of a flogging the Prince of Wales received from a poor boy:

"During her Majesty's residence, some years ago, at Osborn, in the Isle of Wight, her children were accustomed to ramble along the shore. Now, it so happened on one occasion that the young Prince of Wales met a boy who had been gathering sea shells. The boy had got a basket full. The young Prince, presuming upon his high position, thought himself privileged to do what he pleased with impunity. So, without any notice he upset the basket and shells. The poor lad was very indignant, and observed: 'You do that again and I'll lick you.' 'Put the shells into the basket,' said the Prince, 'and see if I don't.' The shells were gathered up and put into the basket. 'Now,' said the lad, 'touch 'em again, old fellow, if you dare,' whereupon the Prince again pitched over the shells. And the lad 'pitched into him,' and gave him such a licking as few Princes ever had. His lip was cut open, his nose knocked considerably out of its perpendicular, and his eyes of a color which might have well become the champion of a prize ring. His disfigured face could not long be concealed from his royal mother. She inquired the cause of his disfigurement. The prince was silent, but at last confessed the truth. The poor boy was ordered before the Queen. He was asked to tell his story. He did so in a very straightforward manner. At its conclusion, turning to her child, the Queen said: 'You have been rightly served sir. Had you not been punished sufficiently already, I should have punished you severely.—When you commit a like offence, I trust you will receive a similar punishment.' Turning to the poor boy, she commanded his parents to her presence the following morning. They came: and the result of the interview was that her Majesty told them she had made arrangements for educating and providing for their son, and she hoped he would make good use of the advantages which should be placed within his reach."

PERCIVAL.—The Sandusky *Register* has the following account of the early love and disappointment, which is said to have embittered his life. The account is derived from a classmate at Yale:

Percival had a class-mate named Smith. They both fell in love with a lady of great beauty and mental and moral endowments—a fit woman to receive the worship of the young poet. But Percival was poor and Smith was wealthy, and so the fortune of the race for favor turned against the poet; Mr. S. won the fair lady. In a moment Percival's whole character underwent a change; he became taciturn and quite a recluse, plunging into study with a most wonderful application. From that time, date his great acquirements. No science too abstruse—no language too removed that he did not conquer. In time he became noted for his mental acquisitions, and his habits of recluse became confirmed. But there was wanting the one steady aim, the high hope and manly force that ever come to the noble soul at peace with itself; and so his bark drifted on and on, never reaching any coveted harbor where peace whispered its soothing song to his aching sense.

What became of the lady? our readers of course ask. She settled down in Hartford, became the model mother of six children, and yet lives there, we believe, loved and admired by all who knew her.

## NEWS OF THE MORNING.

The news this morning is of much interest

Our Kansas correspondent furnishes, in his clear narrative of facts, full particulars of the state of things existing in that unfortunate Territory We should not be surprised to learn at any moment of the sack of Lawrence by the ruffians

The foul, dastardly spirit of Slavery aggression showed itself in the Senate on yesterday, in an assault by Preston S Brooks, M C from South Carolina, upon Mr Sumner, of Mass. It has come to a strange pass when Senators are not safe from personal assault in their hall of deliberation

Congress has given Dr Kane and his companions the privilege of receiving testimonials from foreign governments

Our Washington correspondent gives us various interesting items, among them some particulars relative to the harbors in this State

Spain is reported as about fitting out a fleet to make an attack upon unhappy, faction ridden Mexico

See our local, marine, and advertising columns for various interesting matters.

## A "Know Nothing" Plea in the News.

The News seeks to excuse its silence, respecting the "Border Ruffian" murders of Dow, Barbour and Brown in Kansas, on the ground that these assassinations took place before the present Editor of the Government organ assumed the helm We shall think more of this excuse, when the News in its zeal for "law and order" in Kansas, condemns these cold blooded murders and calls upon the authorities to bring the cowardly assassins to justice Till it does *that*, we submit that it is precluded from saying anything about the comparatively innocent shooting of Jones

In regard to the congressional murder, the News, as we anticipated, promptly applies the official whitewash, and confidently anticipates the "acquittal" of Herbert by the Court Very likely, the Washington Courts will be as complaisant as were the Democrats in the House of Representatives, and pass over the murder of the poor Irish waiter, KEATING, as too trifling an affair to engage their serious attention

But if the News thinks nothing of the killing of this poor Irishman by a Democratic member of Congress, and is silent respecting the 'Border Ruffian' murders and "Border Ruffian" outrage and indignities of all sorts, in Kansas it makes amends when it comes to tell about JONES This unfortunate victim is again ruthlessly "murdered" in yesterday's News—and, what is worse, "cruelly and brutally" murdered—murdered, too, "in the execution of his duty" and in the midst of U S Troops—and murdered, it grieves us to add, by the "Law and Order" editors of the News! For at the latest accounts from Kansas, JONES was "convalescent" and yet, just as he is getting well again, the News, with a refinement of cruelty worthy of the *genuine* "Know Nothings," the Indians, shoots him once more with its "long bow" and sheds afresh its convenient tears over the victim We insist that it is high time for the officers of justice to interfere and at least prevent the truculent News from murdering the unhappy JONES again to morrow Unless he has as many lives as a cat, he cannot survive many more such assassinations

## Important Rail-Road Routes.

The terms of the Wisconsin Land Grant Bill, which will shortly become a law, invest two Rail Road Routes in this State with unusual importance The grant to a road leading from Fond du Lac, northerly, to our State Line, there connecting with two Rail Road routes in Michigan, leading respectively to Marquette and Ontonagon, makes the *Air Line Road* from this city to Fond du Lac, of *the first importance* to the interests of Milwaukee So, too, the grant for a line from Madison or Columbus, to Lake St Croix and Superior City, by way of Portage City, gives additional value to the Milwaukee & Watertown road, the route of which runs thro' Columbus to Portage, and is the shortest and most direct line from Portage to this city This now bids fair to become the main Rail Road thoroughfare in the State

☞ The Appleton *Crescent* complains, in very rude terms, of the *Sentinel*, for reiterating the charge against that paper of "traducing foreigners," after seeing its denial or explanation The *Sentinel* did nothing of the sort On the contrary, we published the *Crescent's* contradiction of the story the moment it reached us We invite the *Crescent* to make the "amende honorable," as it called upon us to do

FIRE IN THE TRIBUNE OFFICE, DETROIT.—The Printing Office of the Detroit *Tribune* had a narrow escape from destruction on Monday night last A fire was discovered in the second story which, but for the prompt and energetic aid of the Fire Department, would have burned up the entire establishment As it was, they escaped with a loss of $2000, which is covered by insurance

HUMBOLDT AND SPIRIT RAPPINGS.—Baron Humboldt has written a letter to the New York *Post*, in which he emphatically contradicts the reports that he had become a convert to the spirit rappings belief He says he has a "holy horror of pure wood spiritualism and psychographic mysticism."

THE LOST FOUND.—We learn from the Jefferson Co *Republican* that the body of young Whitney, missing for some time from Fort Atkinson, was found by some raftsmen in Bark River on the 17th inst

NATIONAL TRADE CONVENTION.—The cigar makers hold a national convention in New York city, July 2d, and the hatters a national convention in Cincinnati, July 14.

## From Our Washington Correspondent.

WILLARD'S HOTEL, }
WASHINGTON, May 17, 1856 }

The passage, through both Houses, of the Iowa Land Bill, which, having since received the signature of the President, is now a law, ensures similar results for other Western and North Western States The *Sentinel*, I observe, deprecates any such "fatal present," but as the policy of Congress is settled in regard to these land grants, and as other States are to receive their quota, Wisconsin, I presume, will hardly be satisfied to lose her share, at all events before this letter can reach you, the Wisconsin bill, (a copy of which I enclose) will have passed the House and of course the Senate and will be signed by the President

The line from Fond du Lac to the Northern boundary of the State is designed to pass up the valley of the Wolf River, to connect with two lines of road in Michigan—one from Marquette Bay, the iron region—the other, from Ontonagon, the copper region The trade of that portion of Michigan is already quite large, while there is no outlet for the inhabitants in winter except through Wisconsin Of course this line of road will prove of great utility and value, as perhaps it may be worth while, in [illegible] letter to dwell upon more in detail

The population of North Western Wisconsin is, it is stated, now about one hundred thousand, and for their benefit the St Croix and Portage City branch is designed, and will prove to be moreover the great thoroughfare to Minnesota By this means the trade hitherto diverted to St Louis and New Orleans will be directed to Milwaukee

Simultaneously with the proposed grant to Wisconsin, your *ex Governor Barstow* makes his appearance here, not in service, however to effect any material change in the location of the different roads, which, I believe I have authority for saying have been fixed upon by the unanimous voice of the delegation from the State Mr C C WASHBURNE, who has been home, for some days has resumed his seat, and by Wednesday, probably, the bill will pass

In the Senate, Governor Dodge having called for a copy of Col GRAHAM's last report in reference to Harbor Improvements on Lake Michigan I am indebted to his kindness for the following estimates, from the report, for the five Lake ports of Wisconsin

| | |
|---|---|
| Racine, | $43,692 15 |
| Kenosha | 58,047 21 |
| Milwaukee | 80,5[illegible] |
| Manitowoc | 62,751 62 |
| Sheboygan | 60,611 [illegible] |

The same, you will observe, are very much larger than those in the bills reported from the Committee on Commerce, and, of course, when those bills are called up in Committee of the whole House, they will be amended so as to make the appropriations conform to Col Graham's estimates This will satisfy the expectations of the citizens of Wisconsin, who are, however, I fear, destined, in common with their fellow citizens of other States, to experience another Presidential veto The President has had for some days before him, bills for the St Clair river and the Mississippi river improvements—both works of unquestionable *national* importance—and yet the indications are that they will be returned without his signature I venture to predict that this will be the case, and that the House, and I hope the Senate, will thereupon pass the bills by a two third vote! We shall soon see

You will have seen that the House declined on Thursday to institute an enquiry into the facts connected with the homicide at Willard's, committed by Mr Herbert, and I hope the vote upon the subject will be spread before your readers The California member, though under bail to answer for a grave crime, has thought proper to take his daily seat in the House, and upon a resolution to enquire, through its Judiciary Committee, what action should be taken in such a contingency, a majority of the House or of the members present, have been found to condemn any such movement The so called "Democratic" vote you will see was, with scarcely an exception against the proposed inquiry—while of the supporters of the Republican Speaker but one name, I think, can be found on this same side, and even that vote I cannot but think was given by mistake

There were one or two honorable exceptions but the great mass of the democratic members, be it remembered, deem the shooting down of an Irish waiter by a member of their own body, not worth inquiring into, and the offender takes his accustomed seat in the House as if nothing had happened Perhaps the thousands, and hundreds of thousands of our Irish fellow citizens, all the country through, will look upon this in the same light as these representatives in Congress and then again the idea may suggest itself, that if Mr Herbert, and not the poor waiter, had been shot, a very different state of feeling would have prevailed True to their principles, and to the great cause of humanity, the Republican members recorded their unanimous vote in favor of the resolutions—which perhaps once more, their Irish fellow citizens and all who detest outrage and ruffianism and murder will, when the proper time comes, remember them for

Meantime at Willard's a subscription of some hundreds of dollars has been raised for the unfortunate widow, who, with her fatherless child has been thus cruelly afflicted, and care will be taken that so far as possible, they at least shall for the present be well looked after

The political gang who have taken possession of Nicaragua have, you will observe, been at last recognized by the President among the family of nations, and WALKER's envoy PADRE VIJIL has been received in due form as an accredited minister Inasmuch as there is even less reason now (than there was when PARKER H FRENCH was sent back, for acknowledging the *de facto* government of Walker) for Nicaragua then was comparatively quiet while even an open and doubtful warfare with Costa Rica and perhaps other States—it is not uncharitable to surmise that the approaching Cincinnati convention exerted a pressure at the White House to which it was deemed most politic to yield But taken in connexion with the tone of the Presidential message announcing the fact, and with the well understood assurance that Mr. Crampton is to be dismissed Some alarm has been excited, and the Conservative element of the Southern democracy has been moved to strenuous exertions to restrain the President from what appear to be his warlike designs and movement I presume this demonstration will have the desired effect, and another back down may be anticipated

Mr Buchanan has been here some days, and his friends are making a strong rally for him, though I think it will not avail to secure him the Cincinnati nomination Upon that Convention may depend very materially the action of the Republicans, who meet at Philadelphia on the anniversary of the battle of Bunker Hill From Pennsylvania and New Jersey, a push has been made lately for Judge McLean, where late interchange of notes with Gen Cass, has already unmasked the batteries of the Union. The feeling however, is good and strong that the Republican nominee—be he who he may—must be the man best calculated to succeed, so that he be only a true man and all personal preference will be given up for the success of the good cause The battle of freedom against Slavery! and that too in free America! Too such an issue have the Slave Snatchers forced those whom they call the *Black* Republicans

REX

EMIGRANTS AND THEIR FUNDS.—The Matilda arrived here yesterday, from Antwerp, with 200 passengers, who had with them nearly *one million of dollars*! One woman had $100 in gold $20 pieces quilted in her petticoat They contributed 100 francs for the Tract Society They were all, with the exception of twelve, farmers, seeking homes in the West—*N Y Mirror* of May 17.

We commend the above to our neighbor of the *American* as a good theme for their "Bull No. 3," against encouraging immigration.

## From Our Kansas Correspondent.

### Later from the Seat of War—Interesting and Important.

We have two long letters from our correspondent in Kansas, the first one dated Lawrence, May 12th, and the second one dated Leavenworth 17th, Mr Ladd, as one of the proscribed members of the Free State Legislature, for whom writs were out, having been obliged to leave Lawrence As the letters contain much of interest we give them all the space we can afford, though we are obliged to condense them considerably in order to publish them at once

LAWRENCE May 12

(Our correspondent writes that the crisis is evidently at hand, there being large parties of armed pro slavery men, mostly Missourians encamped in various directions in the vicinity of Lawrence He says that Col Sumner is anxious to send troops to protect the citizens of Lawrence from the threatened attack but cannot do it without an order from Gov Shannon The Committee of Safety at Lawrence prepared a memorial to Shannon asking for the issue of such an order for protection from the drunken, lawless, infuriated mob gathering around them Here is the infamous reply of Gov Shannon, alluded to yesterday)

EXECUTIVE OFFICE, May 12 '56 }
LECOMPTON, K TERRITORY }

*Gentlemen*

Your note of the 11th inst is received, and in reply I have to state that there is no force around, or approaching Lawrence except the legally constituted posse of the United States Marshal and Sheriff of Douglas county, each of whom I am informed, have a number of writs in their hands for execution, against persons now in Lawrence I shall in no way interfere with either of these officers in the discharge of their official duties If the citizens of Lawrence submit themselves to the Territorial laws, and aid and assist the Marshal and Sheriff in the execution of process in their hands as all good citizens are bound to do when called on, they or all such will entitle themselves to the protection of the law But so long as they keep up a military or armed organization to resist the Territorial laws and the officers charged with their execution, I shall not interfere to save them from the legitimate consequences of their illegal acts

I have the honor to be,
Yours with great respect,
WILSON SHANNON

Messrs C W Topliff, John Hutchinson and W Y Roberts

Our Correspondent goes on to deny, on the part of the mass of the citizens of Lawrence, any active resistance to the bogus Territorial laws, and recalls the notorious fact that U S Deputy Marshal, with half a dozen of men, is daily making arrests He adds

We are assured that there are several hundred men who have sworn our extinction, and only want, if they can have it, the cover of the appearance of law to give them the opportunity of executing their oath and if this is denied them, have declared their intention to do it if possible, without law, and as guerrillas in the night season The scum are *all* enrolled in the posse of the Marshal of the United States and the Sheriff of Douglas County Why are they all enrolled when the Sheriff, with a corporal's guard, or the Marshal alone could arrest every man in Lawrence Will Gov Shannon answer And will not Gov Shannon be made to answer to an indignant and outraged public opinion, and to the bar of God, for the monstrous wrongs and evils which shall result from this denial of protection? How cruel and insulting the conclusion that the evils we fear from those men, if consummated, are but the legitimate consequences of their (our) illegal acts which he shall not interfere to save us from!

Buford and his band of Southerners who come from the South under a complete military organization, instead of being considered and treated as invaders in accordance with the President's proclamation, have been commissioned and enrolled by Gov Shannon and armed with Government arms as a portion of the Territorial Militia, and are now a portion of the posse of the U S Marshal and the Sheriff of Douglas co

The party at Franklin that took into custody the man of whom I spoke, professed publicly that they were a company of Georgians going up to the Big Blue to settle privately, many of them are known personally to be Missourians, and they announce their object to be, in connection with a sufficient force from Missouri, to destroy Lawrence They said if the Lawrence people would give up Reeder, Robinson, and Lane, they thought they would be satisfied—if not they would fight

* * *

It is expected that the Marshal and Sheriff will make their appearance in our streets to morrow to make arrests If an attempt against Lawrence is made should succeed in its destruction, no doubt the intention is to overrun the Territory, and make it a slave if possible, of the Free State party Is it not time that the people of the North should be bestirring themselves for their friends in Kansas and the cause of humanity here and at home?

L

LEAVENWORTH, May 16 1856

MESSRS EDITORS—I have time to state a few facts only, as a gentleman from Wisconsin, J W Clarke Esq, of Marquette, is on the point of starting for home, by whom I will send this letter I will here state that Mr Clarke has traveled about the Territory considerably for some three weeks past, and has become very well posted as to the natural and political condition of things here, which information he proposes to dispense to the good people of Wisconsin, if his health permits, in public letters and addresses — His statements can, undoubtedly be relied upon, and I hope the people will give him a hearing

The people of Lawrence are destitute of any leading mind to whom they can look for advice or direction in the existing contingencies, and they are, consequently, divided in their councils. The Committee of Safety, which had an existence since the former troubles, had become thinned out by the flight or arrest of the principal men composing it, and the remainder did not have the confidence and respect of the people in the present emergency They pursued an unsteady policy but finally settled down upon peaceful or non resistant measures which were most decidedly disapproved by a large portion of the people not that any party were disposed to fight unless they were obliged to do so in self defence, but they were not disposed to give the invaders the power to destroy their lives and property by permitting them to come into the town, even by direction of the U S Marshal when their avowed object was to kill, drive out, and in any way exterminate the Free State population, or destroy their property, as it was notorious that the Marshal could not control them when so brought in

The "submission" party proposed to permit the Marshal and the Sheriff when backed by the U S authorities, to execute the law in their own time and manner, without any interference or molestation, holding the authorities, local and general, responsible for any violence, feeling that the cause of freedom and of free Kansas would gain infinitely more from the destruction of the town and even the sacrifice of the lives of some of its inhabitants, than it could gain by the opposite course, at the same time believing that the pacific policy would, in fact be the greatest security against violence for how could an overwhelming force, in numbers and arms, commit acts of violence and destruction against individuals, or a community, comparatively few in numbers, unarmed and peaceably disposed, entrusting to their power all their interests without the means of punishing the violation of that trust

The policy was adopted, and all the men and arms from the country were sent away

(Mr Ladd goes on to say that on that same night, a wagon containing 75 guns and other arms and ammunition, coming to Lawrence, was stopped by the Marshal's posse, four miles from that place, and the driver subjected to great indignities, having a rope put around his neck and threatened with hanging Word was brought to Lawrence of the seizure of the arms, and a company was about starting to recover the stolen property, when the Safety Committee stopped them to the great dissatisfaction of the majority of the people)

A meeting was called for the evening of the citizens for general consultation, and if possible, union on some plan of action During the day a young man or boy, living about a mile from town, was shot at three times by parties of the enemy, passing between Franklin and Lecompton, from mere malignity He escaped very narrowly being hit In the afternoon a load of merchandize for Hutchinson & Co, was stopped about two hours at Franklin, and the boxes broken open and searched, and an insulting message sent in verbally by the commander at that place, that if they would send down 300 men, they might, perhaps, have the rifles taken the night before In the forenoon Lt Gov Roberts Postmaster Babcock and Josiah Miller, Esq, formerly editor of the *Free State*, of Lawrence, went to Lecompton to consult with Shannon and the Marshal, with resolutions passed the day previous at a public meeting of the citizens, in which they declared their willingness to submit to the United States authorities, and offering a posse to the Marshal for assistance in making arrests, also requesting of him in writing what demands he made of the people of Lawrence, and why he employed such a posse for doing an act which there was no intention to resist [illegible] *the Governor and Marshal retired to a consultation with them*, and the latter sent a communication by them, addressed to the chairman and secretary of the meeting of the day previous, of a most insulting character, without answering their inquiries—He told them that they must be strangers in the Territory, and with annoying repetitions, in asking what demands he made of the people of Lawrence and announcing his intention to do his duty, in his own time and manner, without dictation from them The Governor is said to have replied that he had made one treaty with the people of Lawrence, which they had violated, and he should make no more

When these gentlemen had proceeded about a mile from Lecompton on their return they were arrested by a party of men who wished to know if Mr Miller was in the company

(Mr Miller presented himself and he was taken away to the tent of those who disregarded the pass given him by the U S Marshal, and refused to allow his companion to go with him)

He is probably another martyr to the cause of Kansas liberty, whose blood will be found on the skirts of Pierce and Shannon

(Seeing the real state of things, and the desperate character of the ruffians with whom they had to contend, the Lawrence people found it to be necessary to change their policy, and prepare for defence to the last)

The public meeting was held and resulted in the choice of a new Committee of Safety in the place of the old one which had come to be designated the "Safety Valve," in derision The most of those remaining were, however, re elected and the consent it was affirmed that both parties were well represented in it, and it will doubtless command the confidence and respect of the people Gen Pomeroy is chairman They held a lengthy consultation during the night, but what general policy they adopted I was not able to learn in the morning before I left A messenger was dispatched at midnight to Col Sumner with the faith request that he would employ or hold in readiness, if possible, a portion of the force under his charge to prevent hostilities If we waited upon for the third or fourth time, I think, by the Congressional Committee, or a portion of them but to no purpose, his authority would not permit him to move without further orders from Shannon or Pierce His sympathies are with us and he is impatiently anxious for such orders, but Pierce, Jeff Davis and Shannon are his superiors It is only necessary to mention their names, to know what Liberty can expect from Col Sumner When once called upon to act by Shannon his authority is supreme over him, as he can use the forces under his command as he thinks proper, both as to time and manner

It is for this reason probably that Shannon refuses to call upon him to save the citizens of the town of Lawrence from the legitimate consequences of their illegal acts"

Mr Ladd states that it was reported that the day previous to his writing was the day fixed upon according to current report, for an attack upon Lawrence, but a very heavy rain had swollen the streams and had cut off communication from Leavenworth, and probably postponed the attack. He concludes his letter as follows

As soon as war is actually begun, no doubt the General Government will interpose and, *if possible*, stop it In the mean time Lawrence, of all places most obnoxious to them, will have been destroyed This is also a consummation most devoutly to be wished, not only by the pro slavery party in Mo, but probably in the White House Well, let it come! Order will the sooner "reign in Warsaw"

The expectation of an immediate attack upon this place, should Lawrence fall An effort was made last evening and this morning to get up a company for Lawrence, but it did not succeed This afternoon Messrs Redpath and Phillips reporter for the St Louis *Democrat* and the N Y *Tribune*, started alone on foot for the seat of war, having failed to secure any company

APPROPRIATION FOR RACINE HARBOR.—The Racine *Advocate* contrasts the sums reported from the Committee on Commerce for Kenosha, Racine and Milwaukee Harbors, and, refusing to accept our correspondent's explanation of the matter, charges unfairness, or injustice towards Racine Our correspondent stated that the appropriations, as first reported, conformed to the estimates of the Topographical Bureau To this the *Advocate* replies, as follows

"We are authorized to state that the amount recommended by Col Graham for the improvement of Racine Harbor was $43,692 45, while the amount reported by the Congressional Committee is barely one fourth of that sum Can the Standard or our Representative in Congress (Mr Wells) explain how the committee were *induced* to cut down the appropriation for Racine 75 per cent below the recommendation of Col Graham while other places were given the full amount?" We shall refer to this subject again

We presume that the Committee, in their report, were guided by the estimates of the Topographical Bureau, and not by those of Col Graham But however this may be, the *Advocate* is wrong in its supposition that Racine alone was "cut down" All the appropriations reported for this Lake were far below Col GRAHAM's last estimate, as appears from the following table

| | Graham's Estimate | Committee Rep |
|---|---|---|
| Kenosha, | 58,047 21 | 21,253 |
| Racine, | 43,692 15 | 11,000 |
| Milwaukee, | 29,50[illegible] | 15,000 |

The *Advocate* will discover, by reference to our Washington correspondence this morning, that steps have been taken to do full justice to Racine in this matter We *know* that Mr WELLS, and indeed our entire Delegation, are disposed to deal fairly and liberally by our sister City The *Veto* of the President is the only obstacle to such an appropriation for their Harbor as our Racine friends desire

THE WAUKESHA ELECTION.—The Barstow organs have made a prodigious row over the election of a union ticket, with *A F Pratt* in the middle, at the charter election in Waukesha, claiming the result as a personal triumph for BARSTOW, and a vote of censure upon the Supreme Court We have already exposed this shallow device, and the Waukesha *Democrat* of this week thus confirms what we stated

"We notice that the Madison *Argus*—and other papers of a kindred stripe—are devoting much time and wasting much thunder, glorifying over the Waukesha village election They but show their ignorance of the real result of our late village election, and of the issue involved in it— Of the eleven officers elected three are Republicans three are anti Barstow Democrats, and the remaining five are anything that pays best The real issue involved was in relation to certain village ordinances, and had it not been for bamboozling several grocery keepers into the belief that if Pratt were not elected, there would be a stop put to liquor selling, neither Pratt nor any of his stripe, would have received twenty votes *Had Barstow and the Supreme Court been the issue, all of the Pratt Barstow stripe would have been defeated.* There are many Democrats in this village who warmly supported Barstow throughout the Gubernatorial contest, who now feel disgusted with his course, in endeavoring to keep possession of an office, obtained by fraud, against the wishes of a majority of the voters of the State"

APPORTIONMENT OF SCHOOL MONIES.—From the May number of the Wisconsin *Journal of Education*, the organ of the State Teachers' Association and of the State Superintendent—and a capital paper it is—we take the following table of the number of children and apportionment of school monies for this county

| | PUPILS | MONEY |
|---|---|---|
| Franklin, | 595 | 418 60 |
| Granville, | 1021 | 708 40 |
| Greenfield, | 857 | 599 90 |
| Lake, | 683 | 478 10 |
| Milwaukee, | 848 | 593 60 |
| Milwaukee City, | [illegible] | 5,541 50 |
| Oak Creek, | 697 | 487 50 |
| Wauwatosa, | 902 | 631 40 |
| | 14,942 | 10459 40 |

The total amount appropriated from the State fund for the year is $131,812 [illegible], or 70 cents for each pupil

COURT OF CLAIMS.—The House of Representatives according to the N. Y. *Tribune*, has made a most important decision with regard to the awards of the Court of Claims. It has been insisted that these awards should be deemed conclusive, and that Congress should make appropriations for their payment as a matter of course, just as it does to pay the President's salary, or to support the Army and Navy The House, however, has decided to send these awards to its own Committee of claims, and to consider the reports made thereon by that Committee on every remaining Friday of the session.

## Failure of Coleman and Stetson of the Astor House.

The New York *Times* of the 19th says

We regret to hear that some of the paper of the old and reputable firm of hotel proprietors, Coleman & Stetson, went to protest on Saturday This suspension of payments occurred on and wholly in consequence of certain accommodation bills which had been accepted for account of the brother of the senior partner, in Cincinnati, Mr A B Coleman, lessee and principal shareholder by purchase in the Burnett House of that city The event is of course the cause of deep mortification to the parties here and their confidential friends, the more so, as their own establishment was never more profitable or prosperous than of late, and it imposes the necessity for a dissolution by mutual consent, of a long existing partnership, in order that the business and obligations proper of the Astor House may be assumed by the junior member of the firm, and carried on free from the complication of an affair with which neither had any other connection than the one referred to growing out of an act of fraternal kindness The cash advances to Mr Coleman of Cincinnati had reached nearly $60,000 before the occurrence of Saturday, leaving about $110,000 of his bills under acceptance running to an early maturity The debts proper of Coleman & Stetson are about $60,000. The firm and individual assets are not only ample for the payment of this sum, but will insure, without the slightest interruption, the continued and efficient management of the Astor House

Coleman & Stetson in a card marked by good taste and frankness, explain the situation of affairs, and ask the indulgence of the public

EMIGRATION FROM GERMANY TO WISCONSIN.—A Berlin correspondent of the N Y Herald states that the emigration from Germany to this country which had fallen off considerably for the last year or so is again on the increase, and unless there should be a great reduction in the prices of provisions and an improvement in the condition of the laboring classes generally, it is probable that it will equal if not exceed the proportions of former years Upwards of a thousand emigrants passed through Berlin a few weeks since, chiefly agriculturists, bound to Wisconsin

Let them come and welcome! Within the borders of Wisconsin, they can find new homes even pleasanter than the old ones they have left, and under the provisions of our constitution they can obtain and enjoy all the rights, privileges and immunities of American citizens Wisconsin holds out every inducement to the honest and industrious emigrant, whether from the Old World, or the New, and there is no fear that she will ever take a step backward in her liberal and enlightened policy towards all who seek her shores and swear allegiance to the American Republic

LAKE SUPERIOR SUPPLIES.—Some idea of the large business growing up in furnishing supplies to Lake Superior mines, may be derived from the following paragraph from the Ontonagon *Miner* of the 17th

"ARRIVAL OF SUPPLIES—During the opening of navigation, that is since the 4th inst, up to to day's publication, there has been received at Ontonagon for our village and for the mines adjacent, 1,[illegible] bbls bulk of freight, a very great proportion of which was provisions This we think speaks well for the increasing importance of the Ontonagon district"

RAILROAD IRON.—During the past week upwards of 1,000 tons of railroad iron have been landed at this place for the Racine & Mississippi Railroad, by the barque Young America, and the schooners Grape Shot and Ocean Wave The present will also bring 500 tons more, and then the track layers will go to work in earnest —*Racine Advocate*

### Marine Intelligence.

AT THE SHIP YARDS.—A hasty walk through the ship yards of the Island yesterday showed us a lively place

The new propeller *All glass* for the A P Co is near ready for launching, and will be off the stocks early next month

The mammoth three masted schooner for W B Hibbard and Capt Stewart is so near completion that she will probably be launched to morrow, if the ways can be got ready She is already full rigged More of her anon

The three masted schooner *Straight*, of 189 tons, owned by Capt Jones and Capt Hacket, for the lumber trade, was launched on Tuesday afternoon full rigged

At the yard there is also her vessel on the stocks put up in the same moulds as the last named for Capt Thorsen for the lumber trade

The propeller *[illegible]* is on the railway, having arches put in, and receiving other repairs, a schooner is lifted out on the sectional dock, and several other craft are awaiting their chances

We learn from the mate of the *Sam Ward*, which steamer arrived from Saginaw yesterday, that the brig *McBride* is ashore at the mouth of Saginaw River She was light and was bound in for a load of lumber The brig *Lowell* has also been ashore at the same place, but got off before the *Ward* left —*Det Ad*, 19th

The steamer *Michigan* arrived on Sunday from Green Bay with the largest load of fish ever brought to this city A portion of them were discharged here, and the balance taken to Cleveland —*Ib*

SCHR [illegible] SUNK—We learn that the schooner *Mo[illegible]*, bound from Cleveland to this port with a cargo of coal when near the Middle Sister Island on Saturday suddenly sprang a leak and notwithstanding the efforts of her captain and crew to lighten her of her cargo, sunk in fifteen minutes in about [illegible] fathoms water Efforts will be made to raise her She was partially insured but in what companies we did not learn —*Ib*

## CHILLS AND FEVER.

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of thorough and untiring research, a medicine has been discovered which will, in every case, effect a certain and permanent cure of this dreaded disease It is not a quack nostrum prepared to extort money from sufferers, for the proprietors offer to refund the money if a cure is not effected after following the directions He is assured by the evidence of hundreds of cures which they have effected that this medicine is in reality the remedy so long desired in the Western country This valuable medicine is prepared in the form of a pill from the bark of a shrub which has proved to be a perfect antidote to Malaria They are simple and plain in their nature, powerful and active in their operation, and perfectly harmless to the system having no other than a specific effect upon the disease which it is truly wonderful Some persons have stated that these pills also contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease The proprietor would state that he will pay one thousand dollars to any chemist who will find one particle of mineral in this composition

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, Jr, No 135 East Water street

N B One great recommendation for these pills are, that they only require about five to effect a cure Enquire for THAYER'S OMEGA PILL for the immediate cure of chills and fever or intermittent fevers of every description Prepared and sold wholesale and retail by FRED W THAYER, 697 Washington street Boston

## Fever and Ague—an Infallible Cure.

WE DEFY THE WORLD to produce any medicine which [illegible] contain Quinine, Arsenic, Mercury or any noxious or deadly compound, to cure this wasting disease so effectually as Carter's Spanish Mixture While it contains none of these noxious and dangerous articles, yet it possesses a power in relieving and curing Fever and Ague which cannot be approached by any of them separately or in combination It acts specifically on the liver, purifies the Blood, opens the pores of the Skin, and assists nature to expel from the system the seeds of disease, or what is as bad, the remains of the Mineral Drugs, which clog and finally destroy the constitution

See the cure of Mr Longden of Virginia He had chills twice a day for 3 years, nothing would relieve him until he tried Carter's Spanish Mixture only 3 bottles of which effectually restored him to health and he has had no return of the disease since   may5d1m

THEATRE—MISS DENIN'S BENEFIT.—Miss Denin concludes her very successful engagement at Thorne's Theatre this evening, when she will take a benefit. She repeats, for the occasion, the drama of "Camille," in which she has made a very decided hit. Her representation of this difficult character was marked by excellent judgment and great artistic ability, and we have rarely seen an audience more impressed by a clever performance than was that at Young's Hall on Wednesday evening. Miss Denin has proved a great card for the Manager, and has won friends and admirers among the theatre going public, as no doubt they will be prompt to show by their attendance at her Benefit *to night*. The afterpiece is the attractive play of "the Queen's Page."

ELEGANT FURNITURE.—We saw yesterday, in the spacious Cabinet Ware Rooms of NOYES, FLEETZHEIM & Co., East Water street, several sets Parlor and Chamber Chairs, Sofas and Tete-a-Tetes, Centre and Pier tables, manufactured to order for his Honor, Mayor CROSS. The furniture is of solid rosewood, elegantly carved, after the fruit pattern, and the Chairs and Sofas are lined with rich crimson and maroon brocatelle. The style and workmanship of these articles is certainly superior to anything we have yet seen at the West and quite equal to the best made New York and Boston furniture. We are glad to know that NOYES, FLEETZHEIM & Co are doing a very large and prosperous business. Their establishment is a credit as well as an advantage to our city.

AN INTERESTING MEETING AT PLYMOUTH CHURCH.—A very large gathering of the members of this congregation, and of the friends of Rev. Mr. MITER, was held last evening at the church. The handsome present of $1,500 in gold was made to Mr. MITER, in testimony of the respect and esteem of the congregation for the pastor under whose ministrations they have so long sat, and as a substantial memorial to him of the people he leaves. Rev. Mr. HUMPHREY, late of Racine, was introduced as Mr. MITER's successor, and the occasion proved a very interesting one to all concerned in it.

**A "Border Ruffian" Outrage in the U. S. Senate!**

NEW YORK, May 22.

Preston Brooks, of South Carolina, struck Mr. SUMNER over the head, a dozen times, in the Senate Chamber this P. M., for alleged insult to Mr. Butler in Sumner's speech. Mr. Sumner was felled to the floor. Great excitement. Senators interfered. Outrage finally stopped.

F. A. A.

### SIX O'CLOCK REPORT.

**Particulars of the Assault on Senator Sumner.**

WASHINGTON, May 22d

Immediately after the adjournment to-day, Preston S. Brooks, of S. C., a member of the House, entered the Senate Chamber, and approached the seat of Mr. Sumner, and struck him a powerful blow with a cane, at the same time accusing him of libeling South Carolina and his grey-headed relative, Mr. Butler.

Mr. Sumner fell from the blow, Brooks continued beating him. Mr. Sumner recovered sufficiently to call for help, but no one interfered.—Brooks repeated the blows till Mr. Sumner was deprived of speech. Some eye-witnesses state that Brooks struck him on the head as many as 50 times. Mr. S. was sitting in his arm chair when struck, and had no opportunity to defend himself.

He was taken to his rooms, but the extent of his injuries are not known.

On complaint, justice Hollingshead issued a warrant for Brooks, requiring him to give bail in $500 for his appearance to-morrow.

His cane was shattered to pieces by the blows.

**Later from Havana.**

New York, May 22.

The steamer Quaker City arrived at midnight from Mobile and Havana. She brings dates from the latter port to the 18th.

More rumors in Havana that the Spanish Government are to fit out from that port an expedition to proceed to Costa Rica to operate against Walker in Nicaragua, and that a distinguished Spanish officer had already been dispatched to the scene of action, and it was further rumored that Vera Cruz was to be bombarded by Spanish forces, in order to enforce the payment of certain claims due from Mexico to the Spanish Government. This movement, it is said, is to proceed immediately. The unusual activity in getting ships ready for sea would seem to give credence to the rumor.

### A CALL TO SPRING.

Come! Oh, come! thou hast tarried long!
Come with the glory of light and song!
Earth pines for thee on a thousand shores,
Where the billow breaks and the wild wind roars.
There's a voice of wail 'mid the ancient trees
Torn and tost by the wintry breeze.
Gloom hath shrouded our pleasant bowers,
Death hath blighted our vines and flowers;
And every hour on its fleeting wing
Bears away a prayer for thee, O Spring!

Come! oh come! we pine for thee
As pines the wanderer for home, at sea,
As the captive pines in his lonely cell
For the dashing waters and the breezy dell!
We sigh for the influence which life renews,
For the spell of soft sunshine and balmy dews,
For the genial air and the pleasant rain,
To waken our [illegible] and streams again.

"I come, I come! I am coming back!"
Thus answered a voice from the Sun's bright track;
"I will clothe the heavens' fair face with smiles,
I will call the birds from a thousand isles,
The streams shall laugh where the violets blow,
The trees exult and the lowland glow,
There's not a beauty, nor bloom, nor hue,
That the charm of my presence shall not renew."

No, no, O Spring! no power thou hast
O'er much [illegible] beauty that's from us past!
Eyes that looked love into ours are dim,
Voices are hushed from our vesper hymn,
Bright young faces have passed away,
Forms are vanished at fall of day;
Thou can'st bring the leaves on a thousand trees,
Thou can'st bring the flowers, the birds and bees,
Thou can'st look on the streams and the [illegible]
fountains,
And breathe a glory o'er vales and mounts,
But thou can'st not restore to our yearning arms,
The vanquished past with its lovely forms.

"Yet I speak to the heart in my radiant bloom
Of a spring that opens beyond the tomb,
Where the lost and loved of earth are found,
Where the severed wreaths are forever bound,
Where comes no dimness o'er eyes of light
And the cheek of beauty ne'er knows a blight,
There's not a beauty, nor bloom, nor hue,
That the charm of my presence shall not renew."

March 1, 18[illegible]. RODOLPHE.

ONWARD IS THE WORD.—Since the departure of winter weather our Mechanics have been driven at every corner. It is almost an impossibility, they say, for them to do one half of the jobs of building which are contemplated in this village. Already there has been completed, or nearly so, about 25 buildings, among which are two stores, an addition to the Weyauwega House, and our printing office building, and new buildings are being commenced almost every day. Before navigation opened, our public houses of which there were two large ones, were nearly filled with strangers; but since the boats have commenced running a three story Hotel has been opened, and they are literally overflowing with travellers, and men seeking locations for the investment of capital.—*Weyauwegan, (Waupaca Co.)*

the Proprietors refer to that in successful operation through the country as their best recommendation, as it can speak for itself. All they can say is, that they are both Practical Mechanics, and know how work should be done as well as the next man.

They continue to manufacture FLOUR and SAW MILL GEARING and STEAM ENGINES, on the most approved principle.

They have always on hand a large stock of BRASS WORKS, such as GUAGE AND CYLINDER COCKS, OIL CUPS AND COCKS and STEAM WHISTLES. Also TURTON'S FILES, which they will sell at the lowest cash price.

They are also Agents for EASTMAN'S PATENT STEAM GUAGES, which are well worth the attention of all those who use Steam Engines.

In conclusion, they invite a continued share of the patronage of their old friends, and solicit a call from all those in want of Saw or Flouring Mill Work, assuring them that no exertion will be spared to render the Old Eagle worthy of the reputation it has already gained.

Their motto is "Excelsior."

THIS COMPANY offers unrivalled facilities for the insurance of Buildings and Personal Property against fire. The advantages offered are security beyond the reach of circumstances, as the real estate insured is by law bound for the assessment made to cover losses beyond the power of evasion. Every person insured is a member of the Company, and entitled to one vote. The cost of insurance does not exceed one-third as much as in Stock Companies, saying nothing of the increased security and the incompatible ease with which losses are settled. TO THE MILLION!
READ AND JUDGE FOR YOURSELVE

PROFESSOR WOOD'S Hair Restorative is no doubt the most wonderful discovery of this age of progress, for it will restore, permanently, grey hair to its original color, cover the head of the bald with a most luxuriant growth, remove at once all dandruff and itching, cure all Scrofula and other cutaneous eruptions, such as scald head, &c. It will cure as if by magic, nervous or periodical headache, make the hair soft, glossy, and wavy, and preserve the color perfectly, and the hair from falling to extreme old age. We could give the testimony of more than one hundred thousand to the truth of every word we have written. See circular and the following:

CARLYLE, Ill., June 29, 1855.

I have used Prof. Wood's Hair Restorative, and have admitted its wonderful effect. My hair was becoming, as I thought prematurely grey; but by the use of his Restorative it has resumed its original color, and I have no doubt permanently so.
SIDNEY BREESE,
Ex-Senator United States.

VINCENNES, Ind., June 10, 1853.

Prof. O. J. Wood: Dear Sir—As you are about to manufacture extensively and vend your recently discovered Hair Restorative, I will state for whomsoever it may concern, that I have used it and known others to use it; that I have for several years been in the habit of using other hair restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head from dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance, and all this without discoloring the hands that apply it, or the dress on which it drops. I would therefore recommend its use to every one desirous of having a fine color and texture of hair.
Respectfully yours,
WILSON KING

A gentleman of Boston writes to his friends in New Bedford, thus

To your inquiries I would reply that when I first commenced using Professor Wood's Hair Restorative, my hair was almost white, and had been so for the last ten years and it was very thin on the top of my head, and very loose and pulled out freely; but I found that before I had used the second bottle up (which was eight weeks) my hair was entirely changed to its original color (light brown) and is now free from dandruff and quite moist. I have had my hair cut five or six times since the change, and have never seen anything like white hair starting from the roots, and it is now as thick as it ever was, and does not come out at all. It has proved in my case all that I could wish or ask.
Yours, &c., ———.
July 1, 1854.

GARDNER, Me., June 22, 1855.

Mr. Dyer: Dear Sir—I have used two bottles of Prof. Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the hair. Before using it, I was as grey as a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.
Yours, &c.,
DANIEL N. MURPHY.

ST. LOUIS, March 7, 1854.

Prof. Wood:—My hair commenced falling off some three or four years since, and continued to do so until I became quite bald. I tried all the popular medicines of the day, but to no effect. At last I was induced to try your celebrated Hair Restorative, and am happy to say it is doing wonders. I have now a fine growth of young hair, and cheerfully recommend its use to all similarly afflicted.
A. C. WILLMANSON
183 Second Street.

ST. LOUIS, June 23, 1853.

Prof Wood:—As you are about to prepare and vend your recently discovered Hair Restorative, and as you request my opinion of it, I will state that my hair was, a few months ago, very grey; and after using two bottles of your Hair Restorative, it assumed its original color, and since its application all dandruff has disappeared from my head, and I have been troubled with no disagreeable itching of the scalp. I am satisfied those who use it will not regret it, as it gives the appearance of having been recently oiled. I am prepared, therefore, to recommend its use to all who are desirous of having a beautiful head of hair.
I am, sir, yours, &c.,
H. L. STEWART.

An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Ague and Fever, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Enlargement and pain of the Bones and Joints, Salt Rheum, Stubborn Ulcers, Syphilitic Disorders, and all diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.

This great alterative Medicine and Purifier of the Blood is now used by thousands of grateful patients from all parts of the United States, who testify daily to the remarkable cures performed by the greatest of all medicines, "CARTER'S SPANISH MIXTURE." Neuralgia, Rheumatism, Scrofula, Eruptions on the Skin, Liver Disease, Fevers, Ulcers, Old Sores, Affection of the Kidneys, Diseases of the Throat, Female Complaints, Pains and Aching of the Bones and Joints, are speedily put to flight by using this inestimable remedy.

For all diseases of the Blood, nothing has yet been found to compare with it. It cleanses the system of all impurities, acts gently and efficiently on the Liver and Kidneys, strengthens the Digestion, gives tone to the stomach, makes the Skin clear and healthy, and restores the Constitution, enfeebled by disease or broken down by the excesses of youth, to its pristine vigor and strength.

For the DISEASES OF FEMALES it is peculiarly applicable, and wherever it has become known is regularly prescribed with the happiest effects. It invigorates the weak and debilitated, and imparts elasticity to the worn-out frame, clears the skin, and leaves the patient fresh and healthy; a single bottle of this inestimable remedy is worth all the so-called sarsaparillas in existence.

The large number of certificates which we have received from persons from all parts of the United States, is the best evidence that there is no humbug about it. The Press, hotel keepers, magistrates, physicians, and public men, well known to the community, all add their testimony to the wonderful effects of this GREAT BLOOD PURIFIER.

Call on the Agent and get an Almanac, and read the details of astonishing cures performed by CARTER'S SPANISH MIXTURE, (IN MOST CASES WHERE EVERY THING ELSE HAD SIGNALLY FAILED.) The limits of an advertisement will not admit their full insertion.
